Please cancel claims 12-16 as being drawn to a non-elected invention.

Please enter the pending claims as follows:

1. (Original) A structure comprising:

a first set of features disposed in the scribeline, said first set of features being a subset of product features; and

a second set of features disposed adjacent to said first set of features, said second set occupying a smaller area than said first set, said second set being similar to said first set, said second set being distinguishable from surrounding structures.

2. (Original) The structure of claim 1 wherein critical dimension (CD) is measured on said first set of features.

3. (Original) The structure of claim 1 wherein said first set of features and said second set of features differ in spaces between features.

4. (Original) The structure of claim 1 wherein said first set of features and said second set of features differ in linewidths of features.

5. (Original) The structure of claim 1 wherein said first set of features and said second set of features have the same pitch for features.
6. (Original) The structure of claim 1 wherein said first set of features comprises a first array of holes.
7. (Original) The structure of claim 6 wherein said first array of holes comprises a 5-by-5 square array of holes.
8. (Original) The structure of claim 6 wherein said second set of features comprises a second array of holes.
9. (Original) The structure of claim 8 wherein said second array of holes differs from said first array of holes in size of array.
10. (Original) The structure of claim 8 wherein said second array of holes differs from said first array of holes in space between holes.
11. (Original) The structure of claim 8 wherein said second array of holes differs

from said first array of holes in linewidths of holes.
